

# Book of Needs

Archangel Michael Church

“Behold, we shall build a house  
in the name of the Lord and shall  
dedicate it to Him.”

[1 Kings 5:5]

January, 2013

Beloved in and of Christ,

The image of a parish community can best be perceived by observing both the spirit of its people and the appearance of their house of worship. We have offered to God through architecture and iconography, an atmosphere whereby He continues to admonish us to be beautiful reflections of His divine glory.

This booklet is being distributed to all our parishioners and friends with the specific purpose of announcing our “needs” for our new church. We call it a “Book of Needs.”

The offerings, as depicted in the pages of this booklet, are artist's renderings of the items that will be crafted to enhance the beauty of the sacramental life of the church. Indeed they will bear witness to our love of God and those who we wish to remember. This 'giving' opportunity will afford each of us the privilege of giving to Christ's church in remembrance of a loved one, or as an expression of thanksgiving for the health and well-being of a family or family member.

As we and future generations worship, let us always remain humble and thankful for the opportunity to express our love for Him in such a unique and lasting way.

In His Love,

Fr. Dennis Strouzas, Protopresbyter
