Dear Members:

Over the past few months, the Archangel Michael Church's website has been under construction. The new site will be launched on June 10. In order to update this site and let people know about the various ministries and organizations of the church, we will frequently be adding photos, text and links. Of course, a great way to represent the community is by showing others what it is all about through pictures. Although we will make every effort to visually represent the community's culture as accurately as possible, we cannot guarantee that all members will be represented on the site.

If you do not wish your son's/daughter's picture and/or name to appear on this site at all, please complete the form below and return it to the general office as soon as possible. A non-response indicates that the Archangel Michael Church has your approval to place pictures on the church web site that may contain your son's/daughter's photo and/or name. It is only necessary to return the form below if you do not wish your son's/daughter's name and/or picture to appear on Church's web page.

Sincerely,

Chris Neocleous  
*President*
