

BIBLE STUDY: THE EPISTLE TO THE ROMANS

Saint Paul's Magnum Opus

Written in the advanced stages of St. Paul's ministry, Romans is considered the greatest and most foundational explanation of salvation in Jesus Christ. Among several themes, it explores the intended and ongoing transformation of sinners (i.e. all of us) who cooperate with the astonishing grace poured out by God in the person of Jesus.

“Do not be conformed to this world, but be transformed by the renewing of your minds, so that you may discern the will of God – what is good and acceptable and perfect.”

-Romans 12:2
