What is the foundation of the Christian faith? Why is a Christian a Christian and not a Muslim, a Jew, or a Buddhist or Hindu? The basic precept of the Christian faith is belief in the Holy Trinity, the Father, the Son and the Holy Spirit. This brief article will glimpse into the present day of the Holy Trinity through the story of salvation, the relationship of the human person to the Holy Trinity and how relationships are meant to be a reflection of the Holy Trinity.

Theophany is a celebration of the appearing of God, when Jesus was baptized in the Jordan River. The Lord Jesus entered the waters! The voice of God, when it is announced to us, is described apophatically in the Divine Liturgy of St. John Chrysostom. “No one has seen God at any time, the only begotten Son, in whom I am well pleased.” (Matthew 3:15-17) What you have left undone until you had led us up to heaven and granted us Your Kingdom, which is to come.”

When He had been baptized, Jesus came up immediately from the water; and behold, the heavens were opened to Him, and He saw the Spirit of God descending like a dove and alighting upon Him. And suddenly a voice came from heaven, saying, “This is My Beloved Son, in whom I am well pleased.” (Matthew 3:17)

When it comes time for the creation of the human being, an interesting dialogue takes place from God that points to the Holy Trinity. With each day of creation God said, “Let there be...” and creation took place. With the creation of the human being, God said, “Let Us make man in Our image, according to Our likeness.” Thus the human person by nature is made in the image and likeness of God. The human being can only find true fulfillment when he or she discovers this reality and strives by grace to be a reflection of the Holy Trinity. The unconditional love, the unmeasurable care for one another of the Persons of the Holy Trinity are inspiring and at times overwhelming to witness in the human experience. As is seen in the baptism of Jesus, the Holy Spirit descends upon the Lord’s head, thus the Holy Spirit, glorifies Christ, Who humbles Himself to be baptized. The voice of the Father is clear to describe the relationship of the Son to Him, “this is My Beloved Son!” Jesus reciprocates this same love, which is unfathomable, during His life on the earth to the Father and the Holy Spirit. For brevity, just a few examples are given: “No one has seen God at any time, the only begotten Son, in whom I am well pleased.” (John 1:18) “But that the world may know that I love the Father, and as the Father gave Me commandment” (John 14:31) “However, when He, the Spirit of truth, has come, He will guide you into all truth; for He will not speak on His own authority, but whatever He hears He will speak; and He will tell you things to come.” (John 16:13) The Holy Trinity is God, Who is revealed in Personhood of the Father, the Son and the Holy Spirit. Their relationship with one another is described apophatically in the Divine Liturgy of St. John Chrysostom and St. Basil the Great. “For You, O God, are the Presciable, invisible, incomprehensible, existing forever, forever the same, You and Your only-begotten Son and Your Holy Spirit. You brought us out of nothing into being, and when we had fallen away, You raised us up again. In Christ,

Pastoral Message from Father Michael Palamara

More Precious than Snow

Wash me and I will be whiter than snow. Snow does not fall often in Judea (southern Israel), so the idea of the whiteness of snow was very special to King David who wrote the psalm. For fewer than half of the winters is there any snowfall and usually the snow is a frost and not a heavy downfall. Snow meant that the whole of the land, at least momentarily, had all the flaws and cracks disappear under an equalizing and peaceful layer of white. There is a brilliance that can take us back to our childhood when we behold the snowy frost on trees, rooftops, and yards. And yet, the blanket of snow that caused King David to marvel at its purity and beauty was really a composite of billions of crystals known as snowflakes. No two snowflakes are alike. This is why children (and parents alike) have so much fun creating snowflakes out of construction paper and cutting out designs. Each and every crystal formed from frozen water is unique and unrepeatable. They follow a distinct set of common patterns such as a hexagonal shape and symmetrical growth outward but never are exactly the same. As we are in the midst of these winter months, it is a refreshing reminder of the care and precision that the Lord Almighty puts into his creation. He is a diligent and deliberate craftsman with an eye towards perfection. As He has carefully crafted each snowflake, how much more care has He put into each one of us. It is important for us to remember that our Lord in His infinite wisdom has not only crafted us with such care, but continues to care for us if we allow him.

Remember what Jesus Himself tells us in the Gospel: “Consider the lilies of the field, how they grow: they toil not, neither do they spin; yet I say unto you, even Solomon in all his glory was not arrayed like one of these. But if God doth so clothe the grass in the field, which today is, and tomorrow is cast into the oven; how much more shall he clothe you, O ye of little faith?” (Matthew 6) Elsewhere we hear “Are not two sparrows sold for a copper coin? And not one of them falls to the ground apart from your Father’s will. But the very hairs of your head are all numbered. Do not fear therefore; you are of more value than many sparrows.” (Matthew 10)

We are made in the image and likeness of God our creator, and as His children we are more precious than the whole of His creation. So, seeing the intricacies and complexities of the created world should call to mind the intricacies and complexities of each of us. This is the reason the Lord was incarnate and born for our salvation. This is the reason the Lord called the disciples His friends at the Mystical Supper. This is the reason our Lord went to the cross to cleanse our sins. This is the reason our Lord comes to us in the form of Holy Communion every Divine Liturgy. We are special and unrepeatable, and therefore are worthy of His presence and attention. We are precious in the eyes of the Lord. We must recognize this and respond appropriately. Love the Lord your God with all your heart, all your soul, all your strength, and all your mind.

### BLESSING OF THE HOMES

According to an age-old tradition, during the days and weeks following the Epiphany of our Lord, the homes of the faithful are blessed. The blessing involves the visitation by Fr. John who will bring Holy Water sanctified on the Feast of Epiphany, and will bless the home and all present. Those wishing to schedule a house blessing should contact the church office at 516-944-3180.
Καλή χρονιά!

On behalf of the Archangel Michael Church, we thank each devoted parishioner for how they responded in 2020 with such tremendous generosity and support to our Stewardship needs.

As of November 30, 2020, we had $575,000 pledged and 630 stewards and as of November 30, 2019 we had $575,000 pledged with 686 stewards. As you can see, we made tremendous progress through this past year with the generosity of our parishioners especially with Stewardship being our primary form of financial support for our Church. We are extremely appreciative of the parishioners for their additional support this year as we have seen an increase in our average stewardship contribution. While we had a decline in the number of families who contributed to stewardship in the past year we do expect to rebound and exceed our 2019 stewards in 2021. We will provide a full stewardship report in our next edition of the Trumpet.

As we look ahead to 2021, now is the time to make a true commitment to building God’s Kingdom in new ways. Together, we can give in ways that will continue to transform our community.

In the stewardship mailing in the next several weeks, you will receive a pledge card on which you are asked to make an indication of your financial giving for 2021. Your Stewardship Commitment is a testimony of your dedication to your own spiritual growth and the spreading of our beloved Orthodox Faith.

2021 Stewardship Campaign

“*My hope is that we will seize the opportunity that is literally being forced upon us,*
more altruistic, more compassionate toward others,
more patient, and indeed more faithful.”
- Archbishop Elpidophoros of America

We understand these continue to be difficult times and while we make our stewardship appeals we ask that one only do what circumstances allow, given your family’s current situation. The community is always here to help one another and we in turn are humbly asking for your help.

“A steward is one who manages another’s property or resources; the Christian, therefore, is a steward of everything he is and has, including his own body and soul, for according to the mystery of salvation, we possess nothing from ourselves, not even our own life and being; all belongs to God and is given to us by the Father through His Son because of the richness of His love and mercy.”

(The Theology of Stewardship in Light of Orthodox Tradition by Fr Paul Wesche (Light and Life Publishing))
Charitable Giving - 2021

With an incredibly challenging and tumultuous 2020 behind us, we are all looking forward to better and more prosperous times in the coming year. This time of year is a time of reflection for many of us, both reminiscing about the year that has passed and wondering about the year to come. Asking ourselves “what can we do differently?” and “what more can we give?”

But give that which is within as charity, and then all things are clean for you.

Luke 11:41

When charity is used in scripture, usually it means love, but it also means giving; an act of kindness and generosity to others. Our tax laws provide financial incentives to individuals to make donations to charitable organizations by allowing tax deductions. What is a charitable contribution? The charitable contribution is a voluntary gift or donation to a qualified charitable organization. Normally churches and other religious institutions qualify as charitable organizations, and any and all gifts and donations are deductible. But what are the many different ways in which someone can make a donation?

Cash contributions. For starters, cash contributions are the most common way of making a contribution to a charitable organization. It can be made by check, cash, debit or credit card transaction and can come in the form of stewardship payments, weekly contributions, special fund-raising events and other similar activities. The value of the tax deduction is equal to the nominal amount of the cash contribution.

Gifts of property-in-kind. You can also contribute property-in-kind. Contributions of items other than cash or check include contributions of clothing, automobiles, boats and electronics among other types of items. The amount of the deduction is equal to the fair market value of the property at the time of the donation.

Expenses incurred on behalf of a charity. Incuring expenses on behalf of a charitable organization can be deductible to the extent the donor is not reimbursed. To the extent that the taxpayer incurs unreimbursed expenses in furtherance of the charitable organization and its tax exempt purpose, those expenses are deductible. Examples include expenses for gas and car mileage exclusively for the charity and its exempt purpose, travel expenses to attend conventions or out of town meetings strictly on behalf of the charitable organization or expenses that can be deemed in any way personal. The value of time and services contributed or otherwise volunteered on behalf of the charitable organization is not deductible. It must be a verifiable, out of pocket expense in exclusive furtherance of the charitable organization and its charitable purpose.

Split-interest gifts. Larger gifts or donations of property often come in the form of a split interest gift. This occurs when property is either donated into a trust or is otherwise structured so that the enjoyment of the property is divided between the present and the future. For example, charitable remainder trusts allow the donor to enjoy the income from the property during their lifetimes or a specified number of years, and upon the termination of the donor’s income interest, the property reverts to the charitable donee.

There are a whole host of other ways in which to make donations to your church or qualifying charity in a tax efficient manner. Also, limitations apply to the maximum amount you can deduct in any one taxable year, based on your adjusted gross income as reported on your tax return. Anyone contemplating a charitable gift should seek out the advice of their tax, financial or legal advisor.
Spreading Our Wings, Expanding Our Ministries: Introducing The Archangel Michael Church Land Acquisition and Development Initiative

“Enlarge the place of your tent; Stretch out the curtains of your dwellings, spare not; Lengthen your cords and strengthen your pegs. For you will spread abroad to the right and to the left. And your descendants will possess nations.” ---- Isaiah 54:2-3

Forty years ago, our first parishioners embarked on a journey to build a new spiritual home for a thriving Orthodox community. Endowed with unwavering faith and gifted with the Grace of our Lord, they worked together with tremendous diligence and at great sacrifice to create a true ecclesia for future generations: the Archangel Michael Church. Always reminded of our humble origins, we continue to honor the spirit of our forerunners by supporting our Hellenic and Orthodox traditions.

The Grace that helped build our beloved Archangel Michael Church continues to manifest itself in the present day, as we are now presented with a unique opportunity to secure our community’s legacy for the generations to come. Divine providence has afforded us the ability to spread our wings beyond the walls of our church and fulfill the obligation owed to those who came before us by continuing to expand our church ministry.

The Archangel Michael Church has the opportunity to purchase 3.9 acres of undeveloped property from the Town of North Hempstead that lies directly to the south and west of our current church site, adjacent to our main parking lot. Though the Town’s restrictive covenant affecting the property requires that it be used for recreational activity and parking, this adjacent land could be purchased and developed to serve a multitude of functions for our ever-growing community, such as:

- a multi-purpose athletic field for our youth;
- a parking facility to accommodate the parish during holidays;
- an outdoor space to host social gatherings and promote fellowship; and
- a preventative measure against the development of a use by other parties that becomes a nuisance to our community.

Before we develop this property, we must address the task at hand. That is, we must acquire the property. The acquisition requires $1.5 million in hand by 2021. With your donations, our community can close on the property and begin the next phase of development. Generous donors will be afforded naming opportunities for the project.

Your financial commitments will assist in fulfilling one of the missions of the Archangel Michael Church, to serve its parishioners in the present and the future. We invite you to join us in this wonderful endeavor by donating to the Land Acquisition and Development Initiative.

To make a donation, please contact Father John Lardas at (516) 587-0350 or by emailing: giving@archangelmichaelchurch.org.

As the autumn season changed to winter the Archangel Michael Ladies Philoptochos celebrated and fundraised in many ways.

On Sunday October 25th, the Archangel Michael Philoptochos celebrated National Breast Cancer Awareness month. The Ladies wore pink, distributed Breast Cancer Awareness pins and passed a special collection tray. Through our community's generosity we were able to donate $700 to the National Breast Cancer Foundation. It is our hope that the monies we have donated will aid in the fight against Breast Cancer.

Our newly formed committee, the “Friends of Hellenos House” has coordinated with the directors and staff of Hellenos House to provide additional events and activities to the residents. The goal is to further enrich the lives of the residents, with our primary focus on Orthodoxy and Hellenism. Although COVID19 prevented the committee from visiting the house, we were able to participate by providing fun activities and treats for their Halloween and Thanksgiving celebrations. For the Christmas season, we celebrated the Name Days of the residents, special plaques were made with each resident’s patron saint and AMC Philoptochos offered gift cards and holiday treats.

Every year The Archangel Michael Philoptochos selects a Sunday in November to honor our Veterans. This year on Sunday November 15th, we invited our veterans to be honored with a special Artoklasia in church. We honor our veterans on this day for the sacrifices they have made to our country in the name of freedom and democracy. We never forget how important it is to recognize and celebrate our veterans, our heroes. Thank you for your service.

Prayers were also offered for our deceased Veterans:
+Peter Cardasis, +Dino Carr, +George Christie, +Andrew Cyprus, +Alkiviadis Diakoumakis, +George Kanakaris, +Gus Keen, +Stanley Neamnitis, +Nicos Stylianou, +Anthony Vasilas

The Archangel Michael Philoptochos and our AMC Youth Group, prepared and packaged Thanksgiving Dinners for several families of Veterans. This was a coordinated effort spearheaded by Fr. John with outreach to the local Veterans Administration. A traditional Thanksgiving meal was prepared and packaged for a drive-by, pick-up presentation. This was our first time coordinating with the VA to provide Thanksgiving meals and our hope is that this initiative will continue to grow as we reach out to veterans who are in need.

This year, December 1st was designated as Giving Tuesday, a global day of giving that falls on the Tuesday after Thanksgiving and has become a part of many families’ holiday traditions in the past few years. Archangel Michael Ladies Philoptochos continued our mission and tradition of giving by making donations to the following organizations: St. Barbara’s Greek Orthodox Church, Ronald McDonald House and UNICEF. We thank our community for their continued support, which allows us to continue our mission of assisting groups and people in need.

Inaugural National Philoptochos Sunday

His Eminence Archbishop Elpidophoros has declared Sunday of the Good Samaritan to be the Inaugural National Philoptochos Sunday, to celebrate the rich legacy of this important organization of our Archdiocese. National Philoptochos Sunday will be celebrated every year to honor the thousands of women throughout our Archdiocese who are a part of this vibrant ministry.
On this Sunday of the Good Samaritan, we are inaugurating National Philoptochos Sunday, in recognition of their decades of good works on behalf of the Church and the entire human family. The Greek Orthodox Church in America is truly unthinkable without the Philoptochos. Every Parish is supported, nourished, and enriched by its Ladies Philoptochos Society. They are, for all of us, a sisterhood of Martha and Mary, dedicated servants of the Church and the wider community, and living icons of reflection on the teaching of our Lord Jesus Christ.

They are called “Friends of the Poor” for a reason. The charitable and eleemosynary deeds of the Philoptochos sustain all manner of life in our communities, both near and far. They provide us all an opportunity to do well in our lives by doing good. We should generously support their philanthropy in every way possible.

In setting aside this particular Sunday, that of the “Good Samaritan,” we are recognizing the compassion and generosity that Philoptochos provides every day in the life of the Church. We thank them for their labors of love for all people, and for the example they set in our Parishes from coast to coast. May they all hear the words of the Lord as were voiced by the Samaritan we call “Good”: “When I come again, I will repay you.” (Luke 10:35).

Our Christmas Nativity play was adapted to an online version to enable students to participate in a safe manner. Preparations began early this year and was organized by Georgia Katsoulis and Libby Doumanis. Students memorized their lines, dressed up in Nativity costumes and produced a video commemorating our Lord’s birth. Thank you to Maria Dimopoulos, Peter Dimopoulos and Presbytera Hannah for videotaping and editing the Nativity Play for all to enjoy! Congratulations to everyone who participated in this unique event!

Father John and Father Michael have been visiting the students in their classrooms to enrich their learning and inspire love for our faith. The children welcome their visits and have the opportunity to engage and ask questions.

The Sunday School staff has been augmented by the addition of several young adults who have been assisting in teaching Second Grade. Those students include Bobby Coulianidis, Andrea Niki Maropakis, Gabrielle Pappas, Kathryn Papagianopoulos and Alexandra Tiliakos. Our Sunday School teachers continue to be dedicated to providing a nurturing environment for your children and we pray that you all stay safe and healthy!

Preschool

Happy New Year to all! The Preschool continues to implement health and safety measures for all students and staff.

Both January and February will be busy months for the children. After being welcomed back for the New Year, they will make snowmen, snowflakes, and mittens to decorate the classrooms. As they celebrate the Epiphany and the Feast of the Three Hierarchs, they will learn about these important holy days. In February, the children eagerly look forward to Groundhog Day. Will he see his shadow this year? They are also excited about making and sending Valentine’s Day cards to “someone special”!

All the classes look forward to their weekly visit with Fr. John and Fr. Michael and enjoy listening to the special stories read to them.

The Pre-K and Nursery classes are also enjoying after school “Soccer Shots”, an engaging program which focuses on character and development. The Greek Language Enrichment Program continues after school for Pre-K students. They are learning their letters, numbers and colors in Greek as well as word recognition and phrases, all of which enables them to get a better understanding of the Greek Language. They very much enjoy writing their names in Greek!

In addition all the Preschool children enjoy singing and dancing together during their weekly Music and Body Movement classes with Miss Roula. They also look forward to their Greek lessons with Miss Linda who uses songs and finger play to make learning the language a fun activity.

Important Upcoming Dates

School will be closed on:

Wednesday, Jan. 6: Epiphany
Monday, Jan. 18: Martin Luther King Jr. Day
Mon.-Fri. Feb. 15-19: Winter Recess
Classes Resume on Monday, Feb. 22

Greek Language Institute

The Fall season quickly flew by at the Archangel Michael Greek Language Institute. We continue to operate in full swing and are thriving, despite the strict adherence to the CDC regulations. For our Oxi Day Celebration, our teachers recorded students saying their poems and singing their songs. These videos were posted within the Google Classrooms for students and their parents to view. This unique twist of a digital production instead of an in-person assembly, taught our students and teachers that the celebration of our culture and history is truly unstoppable!

The Pre-K children are learning recognition of numbers and their values using various manipulatives as counters and are continuing their alphabet letter recognition. They are also learning skills such as putting on their coats, jackets, hats, and scarves as well as using their fine motor skills to practice buttoning and zippering. We will be focusing on different activities involving self-esteem and confidence building.
Since our in-person students must maintain appropriate distance and wear masks for the duration of the class, our teachers have been more creative in fostering a sense of community and engagement in the classroom. They’ve conducted innovative projects, provided students with interesting stories, and engaged in collaborative tasks. Our remote students are also embraced within the class community, often partaking in discussions with other remote students, or even in-person students throughout the lesson. Our teachers have successfully managed to bridge the remote and in-person experience, thereby creating one welcoming classroom. Understanding the challenges of this entire transition from traditional, in-person instruction to hybrid instruction, our Greek School Board along with Father John Lardas, hosted a celebratory (and socially distanced) dinner to honor our teachers for their efforts. At this dinner, our teachers commented on how rewarding and professionally inspiring this adjustment to their instruction has been. Our Greek School Board expressed their sincere gratitude for the teachers’ continuous effort and dedication to our students. It was a wonderful evening filled with gratitude and appreciation.

Gratitude was also expressed in our classrooms as we celebrated Thanksgiving. While Thanksgiving is an American holiday, our students learned how gratitude and thankfulness is a concept that transcends all cultures. Being appreciative of our roots, religion, and heritage was a theme expressed in our classrooms. With the Christmas season following shortly thereafter, our students began practicing traditional Christmas songs and learned more about how Hellenes celebrate this special holiday.

As we progress deeper into the winter months, our teachers have grown quite accustomed to using the digital tools afforded to them through the gracious donations of the PTA including laptops and Google suite. Teachers are posting materials in their Google Classrooms so even if a student is absent, they can remain current with what is happening in the classroom. Our goal is to continue improving the seamless transitions from online to in-person instruction as our teachers continue to gain practice and familiarity in using these tools.

The Archangel Michael Greek Language Institute Principal, Ms. Gregoria Giannou, teachers, and Greek School Board, Dr. Vicky Giouroukakis, Mrs. Dina Petrakis, Mrs. Elena Eracleous, Mrs. Markella Maliagros, and Dr. Matina Stergiopoulos, send their warmest wishes for a blessed and peaceful 2021! Xronia Polla!

Happy New Year! The Greek Dance Troupe continues to implement health and safety protocols for all staff and students.

The dance groups held mini-Christmas performances for families. While not quite the same as previous years, it was nice for the children to have the opportunity to perform and for the parents to see what their children have learned.
Although there are no competitions being held this year due to Covid, the groups are preparing for next year’s performances.

A big thank you to our instructors and GOYA volunteers!

**PARISH COUNCIL ELECTIONS**

At the time when this issue of the Trumpet was being posted to the AMC website, the results of the Parish Council elections and the 2021 Executive Board were not yet available. The results will appear in the next issue of the Trumpet.
GOYA was very busy this holiday season. We kicked it off with our annual Thanksgiving Food Drive. Many parishioners and families donated food and supplies for this worthy cause. We packed up dinner baskets and with the help of parishioner volunteers, we delivered them on Saturday, November 21st to families who live below the poverty line. It was an amazing experience to see the sparkling eyes above the smiles hidden behind the masks on the faces of the families, as they received their Thanksgiving baskets.

For Christmas we reached out to St. Basil’s Academy and received a wish list of items for the kids and their dorms. We were happy to be able to gather the items and then delivered them to St. Basil’s to make their Christmas bright.

GOYA activities in December included a night of Christmas fun. We all gathered together to decorate the Christmas tree in the church rotunda and sing carols. Afterwards we enjoyed many laughs while judging the ugly sweater contest. We concluded this wonderful evening with a grab bag gift exchange which included many surprises. On December 20th our GOYA went Christmas caroling in the towns around our church. Members of our church signed up to have GOYA come to their homes and sing. It was a lovely night filled with Christmas spirit and a sense of community.
Finally, we are proud to announce that on December 13th we experienced the unveiling of our new Youth Room! Many have worked hard these past couple of years to make this a reality for our GOYA. We would like to thank the Venetis family, the Neocleous family, the Ziozis family and the Parish Council. This room will be a place for our youth to gather and bond for many years to come.

It’s never too late to join GOYA!!! Come and join us for fun and fellowship all year long. Please contact us at goya@archangelmichaelchurch.org

Thanksgiving Basket Thank You

Dear Father John:
I am writing this letter to thank you for the generous gift to my family on Thanksgiving. If it wasn’t for your church, I honestly don’t know how me, and my family would have had such a great meal in good spirits. Due to situations beyond our control times have been hard but with the support of your church in conjunction with Parent Coordinator Ms. Grace Baez, families like mine are keeping their heads up and looking forward and are thankful for the help and generous offerings. So please accept my utmost appreciation and heartwarming “Thank You” from the entire family.

Sincerely,
Joseph C. & Family

HOPE/JOY

The HOPE/JOY year started off with a bang, and we have been so blessed to get to see all of our wonderful members having fun together. While in-person events and opportunities for our youth have been a bit of a challenge, we have been busy, thinking outside of the box to make it happen. One thing is for certain, our members definitely needed the time to get together, socialize, and just share fun times!

Our outdoor events in the fall were a hit! We hosted a Drive-In Movie Kick Off event, reminiscent of the drive-ins of the past. Our members were reunited once again and everyone had a great time. Complete with concessions, comfy blankets, and lawn chairs, it was certainly a night to remember.

Our Halloween Trunk-or-Treat event gave our members (and their parents) a chance to show off their creativity. We loved seeing everyone’s costume choices, and the spooky car designs even left some of our members
in awe. Our AMC parking lot was transformed into a Pumpkin Patch and the children hand selected a pumpkin that was just right for them. There was dancing, games, laughs, and, of course, candy. What more could we ask for?

The children were then able to "skate" right on into our next event, our Christmas Ice Skating Holiday Bash. The Skating Center was transformed into the North Pole, and our members were given the opportunity to show off their skills on the ice. We laughed, some cried, but we did it together, in the spirit of the Christmas season. We are reminded now, more than ever, to embrace Hope and Joy! We look forward to more fun-filled events in the coming year; events filled with cheerful celebration and meaningful connection.
